

Georgia Pacific Containerboard Boat Contest

Georgia-Pacific Toledo would like to invite all interested parties to participate in our Annual Containerboard Boat Contest at the Port of Toledo Wooden Boat Show August 15, 2026.

Use your imagination and creativity (following the rules of course) to build a seaworthy boat. This boat is not simply for looks. We will have a regatta style race. Each boat will travel approximately 100 yards to a buoy, make a turn around the buoy and race for the finish line. Groups are welcome to make and race as many boats as they would like. The more boats, the better the race. Classes will be combined if there are not enough boats in any one class.

Race Classes:

Class 1- Youth Boat	This is for groups aged 10 to 17. Can be a family group, school group, youth group, individuals etc.
Class 2 - Small Boat	This is a class of boat that holds no more than 2 people
Class 3 – Large (Family) Boat	This is a class of boat that holds more than 2 people and is intended for family fun.
Class 4 – Double Take (2 X 20)	Two participants with a 20-year age gap.
